Last Day of Term 4

From the Principal's Desk

Dear Parents and Carers,

I would like to acknowledge and extend to you my appreciation of your support of school programs and initiatives in what has been a very busy year. Our students have all been working extremely hard under the expert teaching of our wonderful teachers. I am currently reading through all Semester 2 Student Reports and I am very proud of the progress all students have made. These reports will be sent home on Friday 13 December (Week 9).

I would like to congratulate Mrs Aret on her new school appointment for 2020. I know you join me in thanking her both for her professionalism and commitment to our school. Mrs Aret has left a lasting legacy with all of the students she has taught while at Ringrose! We wish you all the very best in your new school Mrs Aret!

Our school resources from the Woolworth's Earn and Learn program have finally arrived! Most of this new computer equipment will be located in our Innovative Learning Centre for student use from 2020. Thank you again for your wonderful support of this program.

Our current roof works across the school should be finalised by the end of next week. I would like to thank you for patience during this time. Our boys and girls have done a wonderful job of keeping away from these works and I am very appreciative that we have students who are so responsible. The new roofs and gutters are part of the department's Capital Works program and they are looking fantastic!

Congratulations also to our boys and girls who have been participating in the Swim Scheme Program. You are making wonderful progress and I look forward to hearing what levels you all finish on. Thank you to both Mrs Ellington and Miss Nascimben for your coordination of this opportunity.

- Presentation Day and Sports Award Assemblies – Tuesday 10 December, 2019.
- Combined Scripture Service and Volunteers Morning Tea – Wednesday 11 December, 2019.

Roy Ringrose has visited K/1P this week!

Julie 1A Wow I had such a great time in K/1P. The class was very busy and engaged.

Khadijah 1B In visiting K/1P this week, I had the opportunity to help the students put the Christmas tree up. The class worked very hard as a team to follow the instructions. Every student in K/1P contributed to putting up the class Christmas tree. It looked so colourful and beautiful!

Lara 1B

Anthony 1B

Meraya 1S

Mohammad 1S After this, each student wrote their own procedure which gave step by step instructions on how to put up a Christmas tree. To make their writing interesting, K/1P made sure they added adjectives into their writing. Followed by this, students turned their writing piece into an artwork by cutting and painting a Christmas tree. The boys and girls were very proud of their hard work. Check out the photo below and the wonderful display in the office.
