Science Week at Ringrose Public School

Incursion: iSkies Cosmodome Planetarium and Immersive Theatre

Dear Parents and Carers,

After our very successful Science Day last year, we'd like to let you know that 'The Cosmodome' is coming to Ringrose Public School on **Wednesday 30th October – Friday 1st November (Week 3, Term 4)**. The theme for Science Week this year is '*Destination Moon: More missions, more Science.*' The students will step into a dome and will explore space by flying past different planets and their moons.

Each class will have their own show that goes for 50 minutes. The experience will take the students on an incredible journey through space. The incursion is based and aligned with the Australian Curriculum standards and Science Syllabus.

The cost of the experience is **\$8.00 per child**. The money and permission note are due to the School Office money box by Wednesday, 23rd October, 2019.
