THE STAGE 3 CLASSROOMS

Dear Stage 3 Family and Friends,

You are cordially invited to the Stage 3 Urban Planners Open Day.

This term for our Stage 3 PBL project we have researched and built displays of created cities. We would like to present our hard work and share it with you.

We have researched a city of our choice from around the World. Using that information, we then have created a similar city for the country of 'Ringrose'. You will see influence from all around the world, including China, Japan, Afghanistan, England, Germany, The United States and many more. Your children have become the Urban Planners and will present their ideas and plans for you. If you have any questions or concerns, please don't hesitate to call. We look forward to seeing you there!
